TODAY: Community Prayer Gathering – Several churches will be participating again this year in a community prayer gathering on the lawn in front of the high school to pray for our community. The meeting will be held at 1:00pm. Let's have a presence from our church at this gathering. Please join us.

This Week:

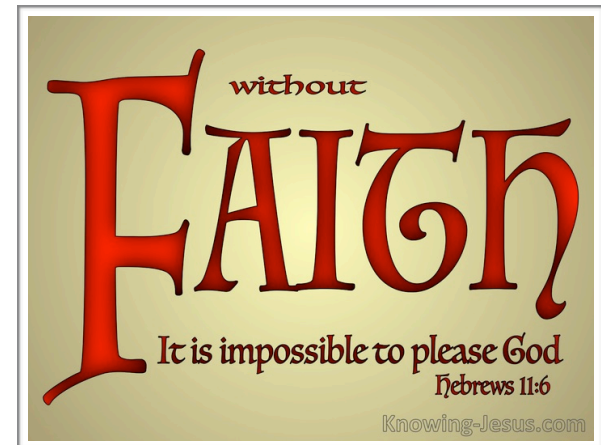

Prayer Meeting – Friday September 11 at 11:00am, an informal time of sharing prayer requests and praying for one another.

Celebrate Recovery – Friday September 11 at 7:00pm. A Bible-based, Christ-centered recovery program for people with addictions and other life-controlling problems.

Coming Up:

Picnic – Next Sunday, September 13. We will have a cookout in the parking lot right after church. The main dish will be grilled chicken. The church will supply the chicken. You will supply everything else! Please see Annette Thompson or Betty Graf to see what you should bring.
